I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

A.T.+T. through the F.B.I., with the Mental Health Board is using the law enforcement including The Columbus, Ohio Police Dept., The State Hwy Patrol, Franklin Twp. Police Dept. 43223 and other law enforcement agencies in Ohio to go pick people up and take them to Net Access. The people on the mental health computers which some of them are accessed with what they call the illuminated computer block which is like a triangle. I'd call Congressman Stivers about a week ago He told me I need fax what I have to my congressman of my district To Congressman Joyce Beatty It has been political corruption and I do believe that some of them is co-conspirators in identification theft. COURT PAPERS N.Y.

- - Mr. Malek ↴ - -

10-12-20

In 2018, 10/17, I was hit head on as a lady was turning left off parsons Ave and hit me. I had consulted Mr. Malek with Malek + Malik Attorneys at law. Jim Malek said he would take the case. He had me sign some papers. Later I had looked at the paper and they was not retainer agreements. He knew my family. They had a case for my mom in the past. I sent him about 30 papers. And I sent about 30 documents to Progressive Ins. including legal census documents. Malek did not do anything on my dads car I did it. I went to 6 months of physical therapy. I have medical records to show physical damage to the neck, done. To my spine and neck and left hip. Malek will not send my papers, and eardrums. They put in my ears at Twin Valley Behavioral Health 2200 West Broad St 43223 on 1/28/15. Progressive Insurance sent me to Enterprise Rent a car. The ins. Company took my car for 10 days without a title. And rented me a car for about 8 days. They left me without a car for 2 days, and then Enterprise Rent a car sent me a bill for 989.00 for a damage car and 2 days rental fee on the same bill. I have pictures of both cars. They got mad because I did pay for 10.00 a day for insurance. How can they let a car off the lot uninsured. Your honors my whole life has been completely physically and mentally.

Mr. Molek I left you a message last week that I'd send these documents to you

COURT PAPERS N.Y.

In the late 1970's I was jumped by 6 men, put in a half of body cast for about 3 weeks. I had to sleep standing up. It happened again in the 1980's, I was in a body cast for about 4 weeks. They said I had internal bleeding and was clinically dead. Around 2007 I had a spider bite. I had a family physician, North-Town family practice. Dr. Kajeswari Lingomeni. Two emergency room visits. I went to Mount Carmel North. I was admitted to the hospital. My left hand was swelled up about 6" around. On the 5th day my hand and my arm was swelled up about 7" all the way up to my heart. Dr. Lingomeni only come in to see me one time. The whole time she did not administer only antibiotics. On the 5th day the nurses came in and told me they was going to cut my left arm off. I wouldn't let them do it. So the next morning they took me to a hand specialist to cut it open on top of my hand and drained it. The hand specialist said it shot up to the ceiling. It took 3 feet of medical packing on the inside of the wound. I took care of the packing and dressing for weeks after that.

As you can see on document one. North Town Family practice. Dr. Lingomeni I was her patient for 3 or 4 years and she knew who I was. This is all tied into the insurance fraud and identification theft.

When I was hit by a van in 1972, somehow it rolled over both of my legs. There was a tire mark across my left knee cap. And a tire mark across my left knee cap. And a tire mark across my right leg between my knee cap and my ankle. My left stop growing. I was hit a day before my 15th birthday Aug. 6, 1958. My left foot is pointed left, and my right leg goes to the right. So when I walk my left hip is about 2" off. And they said my left leg would not grow anymore. And somehow it ended up in probate Court in Franklin County Columbus, Ohio on or before 1972. Which involved with at least two bank. City National Bank and Franklin Federal Savings and Loan Association. It totaled 8,000.00 from both of them. Maybe 3 banks. Your honors they have been doing this stalking on me and my family I know of. At least when I was a baby, when my mother and father lived in Point Pleasant W. V. President J.F.K. stop their political campagin run held me in his arms. And somehow they knew about that. I would say that is our so called permanent record. It was pretty speial. I have been called a Kennedy ~~N~~ lover so called in the political world a blank blank nut. As they have been living on our name. I believe it has something to do with insurance fraud and anytime something happens to us medically.

It has all been a part of identification and insurance fraud in my family name. And it has been going on for years. I faxed legal documents letting Mr. Malek know I took care of it myself under duress for 2700.00. There is more to the story then meets the eye. Progressive Ins. owns the majority of Ins. companies. In 1978 they took my license for 20 1/2 years for nothing. It has all been part of their targeting of Individuals. When I was about 13 yrs. I put my hand down on a pepsi bottle that broke and it went straight through my left wrist I was about 2 1/2" wide and about 4" long. 3 fingers are numb and I have tendons and ligaments damaged. The left side of my jaw was broken. My chest plate bone was broken my ribs had been broken. Your honors I can't fit everything in these papers that has been done to me since I was baby. Including an incident at Grant Hospital in 2013. When I was in there with Betty Graves my ex girlfriend which was on The Mask Bank Robbery Case in Columbus, Ohio. We were both in there having our hearts checked out and they were stalking me and her.

Thank You Your honors.

Every one of these people and places have been involved with filming me and gang stalking from about 1960 to the present. There is all kind of videos up to date about mind control and minipulation. Many of them is on the internet under MK Ultra mind contol. They can put FM and HM frequencies in your inner ears, including voices and music. They have had this stuff in me most of my life. The only people that has the transmitters and recievers to do this with is the News stations listed.

INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

About 6 weeks ago I had a stroke on the left side of my body because of the stress of all this. The whole left side of my body. Feels like air. My equal librium on my left side I feel like I'm unbalance. I have a case in front of your court that I sent in on 10/2/2020

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would ask you to look at the Defimation and slander case of the Indigenous Peoples March AKA The Sandman where he sued CNN news for \$250 million. He settled for 9 million. I believe 60 yrs. of this is worth by the opening amount. Thank You

To Whom It May Concern Franklin County Probate Court and any other legal establishment where required thereafter;

To begin, I have requested my licensed social worker Tiffany McCullough, MSW, LSW to type this letter to accompany me in my hearing.

I Ronald Bibb would like to represent myself if it has been discovered that I was not released on 1/28/15. On 1/28/15, I want full motion of discovery in any legal documentation accompanied with it, along with any legal and law books and computer system that I might need to defend myself on my case. In addition, I would request paralegal assistant.

I also believe this whole matter is tied to someone trying to steal my inheritance. This also goes in with the identity theft that I believe is going on.

Dating back to motion of discovery to 1970 from Governor Kasich's, Jobs and family Services, AEP, Columbia us Gas, Behavioral Sciences, the mental health board, ADAMH Board, I also would like all medical documents and mental health documents from 1970- to the present.

My attending psychiatrist will be a hostile witness, and I will need all record for her mental and physical. During my stay here, staff and psychiatrist are aware that I have broken bones all parts of my body; my right leg is inch and a half short than my left leg. I have protruding bones in left side of chest and my neck collar bone. I have a protruding bump on my right side above my temple, and when I push on it, there is high-pitch frequency sound that follows.

...I would like to begin representing myself on 1/28/15 immediately after the hearing.
Thank you for your time and attention in this matter.

Sincerely,
